

Integral Healthcare Solutions Selects Compliance 360 to Facilitate Accreditation Projects for its Clients

Leading Provider of URAC Accreditation and Compliance Audit Services will use Compliance 360 to Streamline Processes, Improve Visibility and Create a Repository of Best Practices

Atlanta, GA. – March 16, 2009 – Compliance 360, a leading provider of Software-as-a-Service (SaaS) solutions for enterprise governance, risk and compliance (eGRC) today announced a new partnership with [Integral Healthcare Solutions, LLC](#), a leading provider of URAC accreditation and compliance consulting and education services for healthcare organizations. Under the terms of the agreement, Integral Healthcare Solutions will use the Compliance 360 GRC platform to facilitate accreditation and compliance audit consulting projects with its clients.

“Compliance 360 is the ideal platform for managing our accreditation and compliance audit projects with our clients,” said [Thomas G. Goddard, JD, PhD](#), Chief Executive Officer of Integral Healthcare Solutions. “Because Compliance 360 is provided as an online service, we can initiate projects rapidly and conduct mock surveys without the time consuming overhead of setting up hardware and installing software. Utilizing the central database, we will selectively share our intellectual property and best practices, based on the relevancy for each client. As the database grows, the value we can provide to our clients will increase over time, with no additional effort required.”

Compliance 360 is the leading GRC solution in the health insurance industries, with health plans representing more than 50% of the covered lives in the US, using the system. With these solutions, insurance companies reduce risks, improve efficiencies and protect their brands using a single platform to address their comprehensive GRC requirements. By leveraging Compliance 360 to manage accreditation and compliance audit projects, Integral Healthcare Solutions’ clients will benefit from streamlined communications, increased visibility with real-time data access, and reduced overhead costs.

“This is a highly complementary partnership that harbors benefits for Compliance 360, Integral Healthcare Solutions and their clients,” said Steve McGraw, president and CEO of Compliance 360. “With the added dimension of the Compliance 360 GRC platform, consulting engagements conducted by Integral Healthcare Solutions can readily transform from finite projects to enable true process transformations with additional, long-lasting value for their clients. In light of the increasing demands for governance and regulatory compliance in the insurance industries, we are very excited about the potential of this new partnership”.
