

## **Compliance 360 Adds Compliance Software Veteran as Vice President of Business Development**

*Enhanced Focus on Strategic Partnerships Expected to Create Additional Value for Customers, Strengthen Competitive Advantages and Fuel Company Growth*

Atlanta, GA. – September 18, 2008– Compliance 360, a leading provider of Software-as-a-Service (SaaS) solutions for enterprise governance, risk management and compliance (eGRC), announced today that Tom Stitt, an IT security and compliance software industry veteran of 12 years, has joined the company as vice president of business development .

Prior to joining Compliance 360, Stitt was business line executive of vulnerability management and compliance software for IBM Internet Security Systems, a global leader in enterprise IT vulnerability assessment, protection and compliance solutions. During his 9 year tenure with the company, Stitt was instrumental in defining and marketing Internet Security Systems' Proventia<sup>®</sup> Enterprise Security Platform that supported the company's success in new product introduction and over a decade of growth.

"Compliance 360 is deeply committed to the success of the customers in all of their GRC initiatives. Through strategic partnerships with GRC solution providers, regulatory content providers, vertical best practices vendors, and compliance-related service practitioners, Compliance 360 is able to deliver the broadest and deepest GRC capabilities in the market," said Stitt. "Customers want more from their GRC investment and I'm excited to join the Compliance 360 team, which has demonstrated significant company growth by delivering added value to the customer through strategic partnerships."

"With the full spectrum of GRC capabilities addressed by our product line, we provide a compelling competitive advantage for our solution partners and in turn, deliver significant value to our mutual customers of our combined solutions. Through our established partnerships with leading, complementary vendors such as LexisNexis<sup>®</sup>, Siron Corporation and others, we've been delivering on the promise of extended solutions that minimize overhead to further streamline operations," said Steve McGraw, President and CEO of Compliance 360. Expanding on our existing relationships and establishing new ones that will yield additional customer value is a top priority for us. Stitt brings to us a proven track record of results and a strong commitment to customer value and success. He will be instrumental in achieving our objectives with our strategic partners."
