

## Compliance 360 Ranked as One of America's Fastest Growing Companies by Inc. Magazine

*Company Growth Exceeds 170 Percent from 2005 through 2008*

Atlanta, GA. – August 17, 2009 – Compliance 360, a leading provider of Software-as-a-Service (SaaS) solutions for enterprise governance, risk management and compliance (eGRC) has been named to the Inc. Magazine 2009 list of America's fastest growing private companies.

Compliance 360 ranked among the top 150 fastest growing software companies, and among the top 3 fastest growing GRC software companies. With revenue growth of more than 170 percent from 2005 through 2008, Compliance 360 bettered the software industry average growth rate by more than four-fold.

"The employees of Compliance 360 are very proud to be recognized for our rapid growth," said Gary Christian, Chief Operating Officer of Compliance 360. "We believe that Compliance 360 is now the largest pure-play SaaS GRC solution provider in the software industry. We are also very pleased by our GAAP revenue growth, especially considering that our SaaS model requires us to recognize revenues over the life of customer agreements".
