Compliance 360 Noted Among America's Fastest-Growing Companies for Third Consecutive Year by *Inc.* Magazine

Compliance 360 Ranked as Number-One Growth Company in Enterprise Governance, Risk Management and Compliance (eGRC) Software

ATLANTA – Sept. 12, 2011 – [Compliance 360](#), bringing order and efficiency to the complexity of compliance, today announced that it was included on the [Inc. magazine 2011](#) list of the fastest-growing private companies in the United States for the third consecutive year. The list also marks the second year in a row that Compliance 360 is ranked as the top-growing Enterprise Governance, Risk Management and Compliance (eGRC) software vendor.

Compliance 360's widely proven eGRC platform is used by leading organizations across highly regulated industries, including financial services, insurance and healthcare. By bringing order, control and peace of mind to its clients, Compliance 360 helps them demonstrate the effectiveness of their compliance programs in a time of increasingly complex regulatory requirements and high-stakes penalties. Its cloud-based, on-demand software enables professionals tasked with tracking and ensuring compliance to have one, easy-to-use solution to track, monitor, test, execute and validate internal controls today and in the future.

"We are honored to be recognized again this year by *Inc.* for our consistently strong company performance, including a three-year growth rate of 195 percent, which is more than twice the average growth rate for the list's software category," said Steve McGraw, president and CEO, Compliance 360. "Given the thousands of regulations facing companies today, they need to do everything in their power to prevent issues and contain them when they occur. Compliance 360 is now one of the premier, go-to partners for regulated organizations due to the depth and breadth of our platform and our unparalleled, proven expertise."

The fifth annual *Inc.* 500I5000 list represents the most comprehensive at look private companies in the country. Complete results from this year's list, including company profiles and an interactive database that can be sorted by industry, region and other criteria, can be found at www.inc.com/inc5000.
