

## Global Cash Selects Compliance 360 for Enterprise-wide Compliance Solution

**Atlanta, GA. – November 14, 2006** – Compliance 360, a provider of governance, risk, and compliance (GRC) management software, announced that it has been selected by Global Cash Access, Inc. (NYSE: GCA) as its enterprise-wide compliance platform. Global Cash Access, a leading provider of cash access products and transaction-processing services to gaming properties, will use the Compliance 360 application to streamline internal controls across all departments and improve the ongoing compliance efforts, adherence management, and executive reporting and visibility.

“By using the Compliance 360 platform, our company will be able to centrally control compliance programs while providing a sense of accountability and ownership throughout the organization.” says Katie Lever, General Counsel and EVP of Global Cash Access, Inc. “This application will automate our compliance processes and reduce the time and resource costs associated with our compliance initiatives.”

“With a complex regulatory environment, our solution is uniquely positioned to help manage all of the laws and regulations pertinent to organizations at both the federal and state level,” stated Steve McGraw, President and Chief Executive Officer, Compliance 360, Inc. “We are excited about the prestigious addition of Global Cash Access to our customer portfolio and believe it validates our commitment and capabilities in the financial services marketplace.”
