

Compliance 360 Selected by BuzzeoPDMA, Inc.

ATLANTA – September 15, 2004 – Compliance 360, the most widely used enterprise compliance management application, today announced that BuzzeoPDMA, Inc. has selected it to manage the organization’s corporate compliance programs and contract management activities. Compliance 360 and BuzzeoPDMA will also develop a joint software and consulting solution designed to improve regulatory compliance operations within the pharmaceutical industry.

BuzzeoPDMA chose Compliance 360 for the company’s single integrated system that will manage relevant information related to compliance, including regulations, contracts, project documentation, and information on policy management. This will streamline current processes and provide increased efficiencies and accountability at all levels within BuzzeoPDMA.

“We are currently using Compliance 360 to provide a comprehensive solution for managing our regulatory and compliance operations both internally and for our customers,” said William Buzzeo, executive vice president, BuzzeoPDMA, Inc. “With a single enterprise application, we can streamline our operational activities, drive management efficiencies and reduce risk.”

Compliance 360 President and CEO Steve McGraw added, “We are excited about adding a proven leader in the pharmaceutical industry to our customer base. This relationship solidifies our value proposition regarding regulatory compliance issues within life sciences.”
